

Aaron James Linder

June 27, 1974 - October 28, 2024

Aaron James Linder, age 50, born in Monett, Missouri, attended High School in Mt. Vernon, Mo., and passed away peacefully on Monday, October 28, 2024, while working. Aaron was diagnosed with congestive heart failure in 2022 and yet continued to display his value of hard work by serving his customers through his own Building and Excavating company. Aaron was never one to complain about his aches and pains and instead focused on serving others through volunteering, loaning money to those in need and always providing his deep insights and disarming humor to friends and family.

Aaron was an avid hunter, and passionate about spending time in the outdoors while working or playing. Aaron loved living by the lake and watching the sunset with the people he loved and sharing that experience with others. Aaron loved to cook the food he harvested for his friends and family and was masterful with the barbeque grill using his creativity to ensure that his guests enjoyed the perfect meal, often sending them home with food. Aaron was a good friend to many and his deeply held value for honesty, directness and doing a fair and hard day's work earned him the trust and respect of his customers which earned him a thriving business. Aaron could light up any room with his mischievous and warm smile and will be forever missed as he was strong, heartfelt and a force of nature; there will only ever be one Aaron James Linder.

Aaron is survived by his daughter, Lacquin Linder; his parents, Jerry Linder and Donna Hall; his brother, Richard Linder; and nieces, Bea Linder, Alex Linder and Kate Linder. Aaron's grandparents were Everett Linder, Mildred Linder, Lloyd Enlow and Elnora Enlow of Mount Vernon, Missouri.

A celebration of life will be held for Aaron at the Cassville Center, 1111 Fair St., Cassville, Mo. on November 16th from 10am – 1pm. The family will serve coffee and some of Aaron's favorite snack items. All of those who loved Aaron are welcome.
