“ *I will miss Amy so much. She and I lead pretty parallel lives growing up and that is where we bonded. She and I were also planning our weddings together in 2012 and that was special to both of us. She was a VERY special person with a heart of Gold and always wanted the best for her family and friends. She could also make you laugh so easily. The world is dimmer without her in it. Love YOU Amy!*

“ *Amy was an amazing woman and awesome nurse. I have never in my life met a more compassionate caring person. She always promised to be my Hospice nurse, guess now I will have a Hospice angel to watch over me. Sending thoughts, prayers, love and hugs to her entire family!*

“ I miss Amy so much today,
She was a joy to work with. Amy was a positive encouragement to patients and co-workers. She could make me smile even on difficult days.
Her greatest joy was evident when spoke of her wonderful husband Sharrod and her daughter Morgan. She was very proud of her family.
My prayers are with you.
