Ashley is indeed a beautiful angel now and I can promise you that you'll always feel her with you and that she is indeed trying to comfort you right at this moment. May God Bless you all and bless Ashley's soul. She was a beautiful woman. Much love from Tod and I.*

“ *Our prayers for comfort and peace to your entire family. We don't understand why and we can't make it all go away or turn back time but we can be here with a shoulder and an ear for as long as it helps. There is no greater pain than the death of our children. The only thing that brought us through was our faith and friends and family to lean upon. Please know we are here for you all and I pray that the lord wrap his arms around you all and help you find peace.*
