“ Thinking of the Bauer family on the eve of Barbara's funeral. You will all be in my thoughts and prayers tomorrow. I wish I could be in attendance, but the start of the school year prevents that from being possible. Barbara was a great lady and I will forever be indebted to her and your dad for all they did for my family when we were new to Monett. All of my parenting skills were influenced by her gentle spirit as she babysat Danny. I learned so much from her! He just became all of your baby brother. For a long time I think people thought your parents had another child, as they saw Danny out with Brian and Barbara. He was a very lucky baby!! God bless you as you begin to grieve this terrible loss. I know how very proud she was of all of you and how much she enjoyed the grandchildren. I am so thankful that we were able to visit about a year and a half ago. Sure wish we would have been back again more recently. My deepest condolences to all of you.
May the angels lead her into paradise and may her soul and the souls of all of the faithfully departed, rest in peace.

“ I remember the Bauer family being one of the other big families in our church. I remember Mom telling me how hard it was to come up with 7 names for all us kids and the Bauers stuck to "B" names. That makes it even more challenging...but they did it. So in honor of the love of the "B"... "Bye, bye, Baby, bye, bye". Barbara, you have done enough today, it is time to rest. Enjoy the peace that only God can give. We will mourn for our loss of your company. Let us rejoice in your life journey and of a road well traveled which ends in the loving arms of your Father. Go with God. You will be missed and remembered.

“ Prayers to you all at this time and as you move forward in the sweet memory of your dear mother, wife, aunt, grama, friend, and all the roles she had in life. I remember the funniest thing I think I ever laughed about with Bridget at a dinner at the Bauer's. We prayed, ate orange chicken and fresh green beans, and rolls. After dinner, Bridget and I were just visiting with her mom in the kitchen talking about anything and everything. Bridget was talking about a plant that she had and how it kept flowering over and over (something in a pot in the house). Diagnosing the problem, and guessing Bridget had enough of this plant "flowering", her mom said "well, you don't have to take that"...meaning there was something she could do to stop the plant from flowering...an we all just burst into laughter...and I just couldn't stop...I think Bridget and her mom and I laughed for at least 15 minutes. Bridget's mom was not going to let the pesky plant flowering bother Bridget!!! ;)

“ *Barbara was my Godmother and even though I didn't see her much after childhood, she made a special effort to stay in touch with me over the years. She was a very sweet and Godly woman who I will always remember fondly. My thoughts and prayers are with her family during this difficult time. May God bless you all and bring you peace!*
