“ *I was so blessed for 66 years to have you be my very, very best friend. There are no words to express how sad I am without you. I thought of the day I got in trouble and you came to my bedroom window. I was so surprised and then dad heard us talking and told you to go home. We talked about that time recently. We did everything together. You always made me laugh. You were so funny. I can't wait to see you again. I love you and miss you so much.*

I'm so sorry for your loss. I'm too young to remember meeting her. Loved seeing the family photos of her on Facebook. She looked like a wonderful lady with a great smile 😊 I know how hard it is when you lose a parent. I lost my Dad 4 years ago. Sending prayers to the family 🙏❤️ Love, Tracy Montijo (second cousins with her daughter's)
