“ *I appreciated Linda calling me to let our family know of Billy's death. I have such good memories of being together on "the farm," with all the Little's gathered together with homemade corn, mashed potatoes and chicken. Though I haven't seen Billy in many, many years, I am thankful for a family that made it important to gather together and know of our roots on the Kansas soil. Each of you who are part of Billy's family are in my thoughts and prayers. With love,
