Sammi - Words cannot adequately express my deep sorrow for you and your family as you mourn the loss of your dear Mother. I am praying that God will comfort you and give you peace. As you know, I met your Mother through Cox Monett Auxiliary a number of years ago and quickly learned what a very special person she was. Kind, caring, and humble, she was always dependable and positive. She gave of herself unselfishly to others, even as her health was declining. She was a co-worker and my friend, someone I will always lovingly remember.
