PS

“ I had the pleasure of assisting with Patrick's appointments at times and together we spent many hours shopping for shoes and clothes and going out for breakfast or lunch together. I would get so tickled at this guy's love of his favorite shoes and clothing. He could eat more than his weight in fries it seemed like, as well as a huge burger. We usually ended our meals with him saying "aren't you going to finish that?" and he would help finish my fries. :)  
We had many interesting conversations about politics, our families and our love of God. He would share with me his favorite scripture he had just read or many other favorites in the Bible. I will truly miss our Patrick, his beautiful blue eyes and the sweetest personality. The last visit I had with him was him noticing I had a pair of Hey Dudes shoes on. Nothing got passed him. lol  
Thanks for the great memories.  
Rest in Peace my dear friend! You will be greatly missed! Heaven is now a sweeter place!
