“ *I had the pleasure of knowing Cassie. She was more beautiful inside than her beautiful outside could ever show. She would give you her last ounce of energy or let last dollar if she felt you needed it more. I met her though an early life change her and Tony experienced when Phoenix came to Ranken Jordan. I spent many months/years with this lovely family. My heart is aching for all of you. Please share the memorial when it is planned I would love to drive there to be a small part of her beautiful beautiful life.*

I met Cassie when I was Phoenix's teacher when she was in 6 th grade. Tony and Cassie were amazing parents and string advocates for their children. Cassie joined us on a field trip that year and we all had such fun. My deepest sympathies go out to Tony and the kids. Phoenix I love you girl. 🙏
