“ We will truly miss you Buzz. You have a warm personality to make everyone laugh. You was just a teddy bear. I don't think I can remember a time ever seeing you in a bad mood. You touched alot of people on the earth and we will never forget your smile that hid behind that beard. Rest in peace my friend and keep touching lives the way you do so well. God be with the friends and family as they send Buzz with you to hold on your wing, amen
