“ *There are no words to describe the loss of this man and its impact on so many. Don was such a fighter for families in their time of need and for months and years after. RIP Don, thank you for all you have done for my family and all the many families who were blessed to have you in our corner when we needed someone. Don Lakin, more than a funeral director, a caring friend who is missed.*

“ *Pierce City has lost one more part of its history. Don was here for us in trying times and yet he was always supportive of our city when fun times were here. One sees him supporting his fellow masons and standing by their cookouts. Thank you for having a loving heart that is now finally at rest.*

“ We were blessed to have Don as a welcoming, thoughtful, highly entertaining, next-door neighbor for so many years. He was incredibly kind and patient with our family. Don was always busy, but always ready to stop and share. When Don would come by for a visit, we would just gather around and prepare to laugh, debate, or wonder. His kindness in caring for our grandparents and other family members, for their services, was extraordinary. Don was a consummate professional but had a very personal touch. He absolutely adored Mary Lou and "his boys." I remember our humorously debating what was on the other side of this earth life. I can now imagine many angels gathered around him - ready to hear his real-life stories and laugh.

“ I don't wanna believe this 💔. It says share a memory but I have too many to count. Many that I know he went above and beyond his duties to help us. What they all have in common tho is that I have no idea how both mine and Greg's side of the family would have made it thru quite a few of our losses without the guidance of Don Lakin, both the business side and the emotional side. This giant-like of a soul will leave our little town with a huge hole for a long while to come because you can't teach what he was gifted with.
To his family, my greatest hope is that our community can give to you even a sliver of what your loved one gave to all of us. He truly was one of a kind, one I thought would live forever, and he will always be greatly missed. Lots of love and light to all of you.
Forever grateful, the Slagle/Mettlach fam

Don and Mary Lou have been a part of my life since 1969. I met Don when I first moved to Springfield and went to work and Chapel of the Ozarks. He took me under his wing and I apprenticed under him after returning from embalming school. Don and Mary Lou (and Scott) stood up with my wife and I when we were married and even threw us a reception. I have more experiences and fond memories than I can recall. Losing Don is losing a part of my life experience. My heartfelt sympathy to Mary Lou, Scott, and Kelly and the entire family.

I have so many memories I could share about Don Lakin, a dear friend for over 30 years. Don served on the Board of Embalmers and Funeral Directors when we met and we had many opportunities to share experiences about almost everything but we always came back to family. His boys were the light of his life and although I did not get to meet his grandson, I know he had a special place in Don's heart. He was devoted to his profession and worked hard to make sure the regulations were fair to both the consumer and the profession. I will miss you Don and to Mary Lou and the boys, my heartfelt sympathy.

Scott, Mary Lou and Kelly, I met Don at the Coroners training 15 years ago, Once you meet Don you will never forget him, his voice will ever be etched in my Memory. As a coroner and funeral director myself I know and understand the commitment it takes to do both of those jobs and I know Don did them well. He is a credit to the funeral profession and to the Missouri Coroners association. The communities that he served has suffered a great loss. May God Bless his soul.
