“ Dorothy was always so good to my children who attended Pierce City schools. After she left the school she always would ask about them by name. She was always so kind to me. My thoughts are with the entire family during this time.

“ Dorothy never missed a chance to come say hello every time she saw me. Though i didn't know her real well, she knew me because i was Mandy and Jessi's friend. Karen, Patrick, Mandy, and Jessi- you have my sympathy. Though it is a hard time now just keep in mind that she is in a much better place now and there is no more suffering for her to have to endure. May God be with you in the coming weeks. You are all in my prayers.

“ Gene and Jeannette, just a quick note to let you know we're thinking about you in the passing of your sister and sister-in-law, Dorothy. Marjorie knew Dorothy from McDonald's and enjoyed seeing the picture of Dorothy in Connection Magazine.
