“ *I always looked forward to seeing Ed come to the office I work at in Monett. It was always a delight to talk to him and listen to his stories. Ed would always ask me about my son and want to see new pictures, and also wanted to hear how he was doing and what "new" thing he had gotten into...Ed's favorite story was about when Zeke discovered how fun it would be to bang my pots and pans. Thus, Ed called him pan man. I will miss seeing and talking to Ed. May God lift you in his love and comfort during this difficult time.*

“ Please accept my condolences for the loss of your father. Ed was a good friend of mine in high school and in the national guards. In high school we participated together in football and vocational agriculture. In 1952 we were the winning FFA livestock judging team at the Ozark Empire Fair along with school mates Willie Will, Harold Gripka and Bob Henson. I have many other fond memories of your father and the good times we shared.
