“ Amy & Family -

It's always been my belief you can tell a lot about someone by their children. While I didn't have the pleasure of meeting Mr.

Schiska, I heard a lot about him AND enjoyed a fair amount of produce from his garden thanks to his kind, generous and spunky daughter, Amy.

Amy you have been my friend for nearly a decade and during that time I have seen first-hand the strong, intelligent and kind young woman he helped raise and consider myself blessed to call you my friend.

I am so sorry for your family's loss. Losing a parent is one of the hardest things I have ever experienced and while words are cold comfort, please know you have our deepest sympathies and Ben, Tucker and I are keeping you and yours in our thoughts and prayers.

Much love, Amanda
