“ Jo moved to the Pine Street, Pierce City neighborhood in the mid '60's. After Bruce and Kelly were born I would babysit them when Jo and her husband went out. She was a joy to sit down and talk to. She loved to cook and share. Heaven has gained another talented Angel.

“ Jo & my husband and I, were on the same bowling team in the Farmland league for years. She was one of a kind! Favorite memory was when she made us all Christmas boxers. One of our team members had a big Santa face on it & the rest of us had reindeer. We went on bowling tournaments together and just always had a blast. At the time we were bowling, my girls were young & she would always go talk to them & even helped with a little homework. My girls called her JoJo and they are both very sad that JoJo is gone. I know she is looking after all of us now. Just know, David, Janet, Kylie & Kayla Ball considered her family for many years. God Bless you all.
