“ *Eric and I were very close for a number of years. He could always make me laugh no matter how down I was. I loved when we used to work at Famous Barr together and we car pooled to Joplin. We had some of the best talks on those rides. I hope now he can finally be at peace with all he was. My love to his family.*

“ Eric helped me fix a floor in my house and then put down the pad and carpet. I think it was the first time he had done anything like that and he loved every minute of it. He was good to help.
