Lori, I will never forget the time Marc got stranded up here. Samantha went to get him & he stayed the night so we could take him home. He was so polite & respectful to Don & I. When Don was hurting & couldn't drive any further Don asked Marc if he could finish driving for him. Without even thinking about it he said yes & finished the ride to take him home. He will be greatly missed & you & the kids will be in our prayers.

“ Marc was a great Husband Father Uncle Brother and Friend to everyone. I remember having a little to much to drink one night. And spilling beer on my husband coat that he just had mad. Jason had full intentions on leaving me there he was so mad. But Marc came to walk my drunk butt back to our truck. That was just one time out of so many that Marc was there to help me. It sure isn't going to be the same. Marc I'm going to miss you so much. Even if I did drive you crazy trying to put my feet on you. R.I.P till we meet again.
