“ *I have searched for information about Flo Deal, as she was my mother's former sister-in-law. I met Flo and her sister Helen Grant when their husbands died. I have always thought a great deal of Flo and wish I had been able to find her, but we lost contact years ago. I offer my deepest sympathy to her loved ones, as I know she will always be in their hearts. She was a fun lady.*

“ *Flo was my grandma. I used to sit on her lap, play cards with her and do jigsaw puzzles with her for hours and hours. She will always be in my heart and i will miss her terribly. I love you Grandma...I aspire to be the kind of grandma to my grandchildren as you were to me.....*
