“ *Allenne*

m.d. Thank you for the hundred butterfly bandages! Every time we had a cut or scrape you were our own personal nurse! You were ALWAYS there for us! Even when we ran over the neighbors trash can. We tried to deny running it over and after retreating to your house (meaning the band of missfitts we had in the jimmy)you came out and said "how do you know it was them?" With so much conviction! you said that because you loved us! The neighbors reaction was of course ""well My Trash Can Is Still Stuck Underneath That Jimmy!" There was also the time when I wanted my hair dyed Billy Idol white for Ambers senior prom, which in hindsight was an unachievable task! We tried though and my orange hair in those prom pictures will always remind us of how much you loved us and how much we will always love and miss you! God has another ANGEL! She along with Shannon Mom Dad & Illene along with everyone We will see you again!
