“ *Hello,
My name is Vickie McDougle. Your dad was truly a blessing to my dad Don Fetcher and our whole family. Our fathers became good friends quickly and lasted to very end. My Granddaughter which is 2 1/2 loved to vist her Great Pa and Jack. Your dad was so kind, One day he gave Mya a pair of his sunglasses and when I tried to refuse, he would not hear of it. I am so sorry for your loss. We loved your dad and our sympathy goes out to You. He always talked about his sons and said we are kin (Metcalf). He is truly missed by my brother, sister, me and my family. Vickie and Bob McDougle*

“ Sorry for your loss. Jack was a dear friend to my dad at the nursing home. They would visit and they ate together everyday. When dad was having trouble feeding himself Jack would try and help him. I enjoyed getting to know Jack, when my dad got very sick he would come in everyday to see if he was any better. Deepest sympathy
