“ *My deepest condolences to you girls and Bill. Sue was so good to me when we were mere babies. Loved the Christmas cookies in the huge Tupperware containers that she let me raid repeatedly. Love you all.*

My deepest sympathy to the family. Jackie Sue was my cousin and we spent time in the Summer while growing up visiting family and having a great time. Through the years we have grown apart because of time and distance, but I will remember our many good times together.

“ Dear Bill and Family-

So sorry to hear of your most loved one passing. Seems like the four of us grew up together. We shared fun times during our high school years leaving us with fond memories of the past. Jacki and you were a perfect match confirmed by your many years of sharing together in your marriage.

It was nice that we were able continue our friendship over the years with occasional visits along with Class Reunions down home. You have always been a "Special Couple" and never forgotten. We are pulling for you and your family and know your fond memories of her will make things better.

*Our thoughts and prayers are with you "Billie Bird"
With Love and Hugs,
