“ *Jimbo was a one of a kind. He was so quick with hilarious one liners. He made me laugh as I was drinking milk once, it came out of my nose. I giggle now thinking of him about to say something funny, and barely containing his laugh as he said it. We came from two totally different worlds, but that man, my friend Jim, would be right there if I ever even hinted that I needed anything. He walked me through a horrible thing, as a true gentleman, reminding me of how strong I was. I will never forget his friendship that I cherished so much. I will miss him for the rest of my time on this earth!*
