“Denise, I am so very sorry for your loss. Though we're far apart and have little contact, please know you and your family are in my prayers and in my heart. Loving Father, surround this family with Your presence, Your peace, and Your love. May they all find the strength that only You can give, the comfort of knowing You are always with us, confidence that nothing is beyond Your notice and care. Peace and provision, gentle guidance in the days and weeks to come, absolute assurance that You will perfect all those things that concern them; these things I ask in Jesus' holy name. Amen.
