“ *I remember going to the visitation for JD on December 15. Kaye knew it was my birthday. Kaye made pies for me and my husband for our birthdays. JD and Kaye went out to dinner several times with me and my husband. We all enjoyed it so much.*

“ *R.I.P. my very good and trusted friend, J.D. You've been in my heart as a friend, and was a stellar and loyal customer of Freightliner Trucks I represented. I'm looking forward until we meet again. Love you, sir. Katie and Melissa, I'm praying for your peace and comfort.*

“ *JD.*
You helped me out in a time of need. You came to Exeter when we needed someone to take over even though I don't think you really wanted too. You did for me and I will never forget that. I loved the times we spent together, visiting and talking about old times. You are a great man and will be greatly missed by all.

We love you,

“ My favorite memory of JD was when he was the Principal at SWHS, Washburn 1954-56 : He would play the piano boogie woogie sometimes during lunchtime in the gym and he also would accompany me when I would sing Courtin' In The Rain. I remember he was quite a Ping Pong player in 1954-56. JD an John Beattie would always play each other. In those days he would sign his name slanted to the left, today I still sign my name that way.

JD may you rest in peace ole teacher friend of mine.

“ Dear Kaye and Melissa, first let me express how sorry I am for your loss. JD gave me so much wonderful advise through my teenage years. One very memorable talk we has been with me throughout the past 30 years and I still use his words of encouragement today. These words are very simple but so true. He said "remember, it's not a problem if you can solve it!". I use this in business, with my children, friends, etc...his words and advise live on in me!
You are in our thoughts and prayers during this time.

“ The Smith family has been a blessing to all of us through the many years, I loved going to Uncle Thurman and Aunt Lou's home getting to visit with all of their children .Lots of good memories. J.D. would get everyone together to sing a few old hymns. Aunt Lou always shared a Word from the Lord --what a testimony. J.D. will be missed. Blessings to all of the family.

“ Well, when you had an Uncle that in the late 50's could sing and play the piano like Jerry Lee Lewis and looked like a distant cousin of Elvis, and drove that new big Pontiac... and he probably married the cutest gal in SW Missouri... but lost the wedding ring just before the ceremony....many, many fond memories of that time in my young life. I feel so fortunate to have been a part of that family and all the good times we shared.

Kay, Melissa, and Aunt Ruby, you'll be in our thoughts and prayers.

“ The first time I met JD in church he told me that he always tried to remember all his staffs names. I remember that impressed me greatly as to the type of man JD was;

it showed me that he cared about his fellow human beings and that his relationship's were built on personal enter action. He also told me that it now found it difficult to remember peoples name so he always called me reverend. I knew by the sincerity in his voice and the smile in his eyes he truly was nurturing our relationship as Christian brothers. It was an honor to know him. Peace of God

“ Another one in our Smith family has gone to sing and play in Heaven with so many of our other Smith's. My first memory of J.D. was on the Square in Cassville, singing like Elvis Presley. I have seen him, Kaye, Ruby and Melissa at our Smith reunion each year now for many, many years. I will miss him. I found him to be a talented guy, a quiet and gentle man. Kaye, I can visualize his hugging reunion with my Blaine and so many more of our beautiful Smith family. My heart goes out to you, Melissa, Ruby, and all your extended family. God loves you - me too.
