“ I was in high school when Jeff was married to my sister. I played basketball and He was one of my biggest fans and always believed in me. He would pay me \$20 every game that I achieved a triple double. I have never forgotten that. Rest peacefully now dear friend and I'll shoot hoops with you again someday.

“ Childhood friends are hard to forget. Though we've all scattered to
the winds and we don't often get opportunities to get together as
often as we would like we still feel a connection to their lives.
Sincere condolences and many blessed memories are expressed.
Until we meet again our friend!

“ *I remember the time I helped him learn to fold clothes. How proud he was of what he had done. I remember all the FB games in Granny's front yard. I know how much he will be missed and also that he is in such a better place. With no suffering and with his mother and grandparents. I know I did not see him a lot in the last years, however, he was still very special to me, just as his sisters are. He was and always will be my nephew. I loved him very much! Be in peace Jeff, tell your mother how much I miss her. Until we meet! (Aunt) Valerie!*
