“ I was sorry to hear of Jeff's passing. I am a former coworker of his at Odimo and he was so kind to many of us younger staff members. He was a calming reassurance during stressful times, and I appreciated him greatly for it. Speaking on behalf of several coworkers who were devastated to learn this news... our hearts go out to his family and friends. <3

“ Janet, Yvette, Cole, and family, I was just thinking about Jeff the other day and am so very sorry to hear of his passing. I have many fond memories of times shared at school, in youth group, band, and even his being "Little Green Sprout" to my "Jolly Green Giant" our freshman year of high school. Jeff and Jon are gone much too soon! My deepest sympathies to you all.

“ My heart is so sad. Janet, I am so very sorry. Jeff and Jon were such good friends. They never knew a stranger. I cherish the school years with Jon and all the times after with them both. It was so devastating when Jon had to go. I can only imagine the reunion. God Bless and hold you and Cole and all of your loved ones close. Much love and prayers. I will miss them both always.

And then i would ask him how his day was and Jeff would usually say something like "cant complain as least im above from being 6 feet under" i enjoyed our talks about life...i miss Jeff and his friendship....God Bless you and your family and Jeff
