“ *I'm proud to say that Jerry was one of my best friends. He was the kind of guy that could make anyone smile. He was always ready for an adventure. We had many great times fishing and camping or just hanging out playing darts and talking about life and looking at the stars. We always managed to brighten each other's day. He pretty much adopted my kids and i. He was part of our family.. we love him and will miss him so much*
