“ I met Jonathan through a friend the summer of 93. I was having trouble that summer and he helped me out. He was so funny and cool. I looked up to him and never forgot about him throughout the years. I'm in cosmetology school now, and I hope I can be half as good as he was. I was very sad to hear of his passing. I will always admire his spirit.

My sympathy to the whole Clayton family. Your family was so special to my family as you grew up neighbors to us. We spent alot of time together and I treasure those memories. I apologized to Jonathan a couple of years ago for getting his foot caught in the spokes of my bicycle when I was giving him a ride on my front fender when he was only about 4 years old. I am so glad I got to apologize to him because I have always felt so bad about that accident! Sending my love to all of you....Karla

“ *Jonathon was a sweet friend to me. He not only did my hair,'but I would often go into the studio just to talk. He once offered me a place to stay at his home when things were really bad with me and Brian. We had lost touch, but I am really sad to hear of his passing. He taught me a lot, and I will always think of him with love.*

“ *Natures first green is gold,
Her hardest hue to hold.
Her early leafs a flower;
But only so an hour.
Then leaf subsides to leaf
So Eden sank to grief
So dawn goes down to day.
Nothing gold can stay*”

“ I need to add one more thing, he was the Best Hairdresser I EVER had! He could literally cut my hair with this eyes closed. I loved my style and color so much, even when I look back at pictures from when I first started going to him (around 1991), he pays a tribute in every photo with my hairstyle and color!!!! He will be forever in my heart ;)

“ I have been looking for Jonathan for several years. I was a client of his at Studio 210. I think I was more than a client, if you knew Jonathan, you felt like you were his close friend. I close my eyes and instantly see his smile, his big blue eyes and hear his contagious laugh! He definitely made an impact on my life. I am glad he was apart of it. The memory I will remember him by is when he would wear a sarong to cut hair in. He would always say 'It's So Wrong!' and then the laugh would come!! I can't hear the word sarong without thinking of him ;)

“ I remember when Jonathan was in school and myself, Katy Horner and Jonathan went for a ride in a old convertible which may have been his Dads. We laughed so hard because Jonathan could not drive a stick shift and we about all got whip lash but it was so much fun. I will always remember his laugh and how caring he was. I'm so sad to hear of his passing. My sympathy to all of his family and especially Steven, whom I went to school with. My prayers are with you all.
