“ Karen lived in my apartments for several years in Joplin. She was a very special lady that I enjoyed many times with. I got to talk to her Mom on several occasions and knew how very special her family was to her. I was so excited I got to take her to the airport to go visit family a few years back, that was such a special time for her. Her visit with her daughters was also such a special time - she had pictures of you that she was so proud of. My prayers are with your family, I know she lived a long way from all of you - but her thoughts were with you often. Praying she is at last at peace!
