“ I didn't know Kaye as much as many of you have, but going to church with her being so welcoming made me feel a part of the family. Then at the senior center when it was very interesting to listen to her conversations and actually knew her subjects extremely well. I am proud to have known her and blessings to her family.

“ So sorry to hear that "Kaye" has passed. She was a distant cousin of mine, through my grandmother Carrie (Kelly) Lamberson. When Kaye was in high school at Rocky Comfort, I was going to Wheaton and saw her at church a lot. Then in 2000, we re-connected at a Kelly family reunion at Fairview. We laughed about her going to the dog races at Hot Springs, Ark., where she became friends with Bill Clinton's mother, Virginia, Kaye was a very sweet woman and I wish we had lived nearer her so we could have shared laughs together.

“My best friend and high school buddy at Rocky. We were together in everything that happened in school and activities---dates, ballgames, pep club, band, classes, you name it and we were together.

Even maid of honor at her wedding. Thanks for the memories Kaye.

“I remember babysitting for Miss when I was about 13. When Kaye and JD came home that night JD played the spoons and Kaye sang along. Kaye was one of the most compassionate and accepting people I have ever known. She was SPECIAL!!
