“ *I came to know Kelly when my family moved to the Miller area my freshmen year in 1973. We quickly became friends and over the next several years, we became as close as brothers. We hadn't seen each other much the last 15 or so years...with jobs and family; you kind of loose track. Kelly was the kind of guy who would do anything for you; he'd always be there, on time, when you needed help. Kelly will be greatly missed; but the memories (trips to Springfield to camping out on Spring River) will always bring a smile to my face.*

“ *Dale, Betty and family....no words can express how sorry we are to hear of Kelly's passing. He was one of the good ones! We will forever be thankful for all the help and advice that he has given Kenton on his pulling tractor. We will cherish the memories that we have. If there is ever anything that we can do for you...do not hesitate to call us. Bill & Kathy Tiller*

“ I was so sorry to hear of Kelly's passing. He was one of the sweetest guys around. I remember him from high school as one that would always listen and was just so easy to talk to. My deepest sympathies to the family. We all lost a good one.

“ Kelly was always the nicest guy. He was a gentle giant and loved kids. All his fellow cousins loved him. Years ago, when we were all young, he was the oldest cousin and was like a fun giant jungle gym to all of us. He would pick up the younger ones and pin them to the ceiling of our Grandma and Grandpa Henry's house. They all loved it and would laugh and laugh.
Deepest sympathy to the family of such a wonderful guy in their terrible loss.

I was so sad to hear of the passing of Kelly (Boomer). I've never seen anyone ever get the respect on the softball field that he got & completely deserved. I watched him play as a kid then got to be his teammate & got to see the joy of him being a huge part of our State Championship team. My prayers are with the family & he will truly be missed!
