“ *Growing up as kids, Kenneth was a country boy who loved to have fun! He could make you laugh, he could pull some good jokes on you, and he was just there as your best friend also. I remember he was always concentrating on his farm life and family, his Mom was such a wonderful person and did so much in life for everyone, she loved him deeply. I miss her still. Now he is in heaven with her and I am sure they are smiling down upon all of us who are sad with his loss to help all be strong. Dianne be strong, we never knew one another well, but you had a wonderful husband and father to your children. Prayers and Love, Barbara (Kramme) Reyelts*
