“ I just recently reconnected with Larry on FB, after many years, but had not talked to him in person yet. I'm so sorry I won't get that chance now. I remember many nights of laughter and family type fun with he, Dee and the girls. I think about those days often. Sending love and prayers to all. Rest In Peace, Larry. You will be missed.

“ Larry was a real trooper. What I asked of him, he always delivered. I only wish that I could have lived up to the friendship he gave me. I wanted to call him to tell him how much he meant to me; however, I was ashamed, and now it is too late. Sue and I will always remember him. Rest in peace, good Buddy.

“ Larry lived a few blocks away from me in Springfield. We often walked from school together while in high school. We also played neighborhood baseball, football and basketball games together. I'm sorry to hear of his death but his suffering is over with now.
