“ *I would dissapprove of. I miss you nanna. You will forever be in my thoughts, dreams and every day decisions as always. I tend to ask myself, "what would Nanna do?" before I make any decisions. I love you and one day will see you again. Tell pappa I said hello and I truly miss you...more than words can express. While my tears keep falling and my heart still breaks know this, I will never do anything that I think you would dissapprove of . The boys miss you and we will see you in our dreams and again one day.*
