“ Mom I’m sorry it has taken me so long to share my feeling in this forum, I truly miss you for so many reasons, I know I didn’t make it to see you and dad as often as I should have, that I will always regret. You gave me and taught me so much growing up, being a single mom for so many years, and still teaching me to be what I am today. Because of our lives , your teaching and your love I will always be proud of how I have lived my life, don’t take me wrong it wasn’t perfect but I have never stopped trying to pass on and instill to our kids. I love you mom, that to I never told you enough, you were always so proud of me no matter my choices in life, kind words on the phone, text , or e-mails. I can’t begin to put into words how much I will miss you, you were a great mother in law, grand-mother , and great grandma. I’m so sorry you are gone way to soon, we miss you more than you will ever know mom, even if I didn’t show it or say it. Thank you so much for what you shared with the kids and me, you were kind and generous to everyone you meet, and gardening was your later in life passion, and we so enjoyed driving the country roads just relaxing and enjoying the views. I miss you and will forever love you mom, because of you, your love and life lessons my life is good, Thank you so much for being an awesome Mom
