“ *Naomi taught us acrylic and oil painting at the senior citizens center in Pierce City. One of my favorite memories of her is when she would walk quietly around the room looking at our paintings then suddenly yell out, "stop! Before you ruin it!"*

She was so nice and I am glad she was part of my life.

“ Leonard, Mike, and family,
I have very fond memories of Naomi when I pastored the FBC from 1998-2004. She was helping Mike with the custodial work at the church and was very involved in the work and direction of the church. There were many folks there who were encouragers and supporters to me and Naomi was one of the best. She always had a gentle soft demeanor about her and would always ask how I was doing. She was very sincere and devout in her faith, her love of God, her love for the church, and all her family and friends. I have many memories of being in her home, her gracious hospitality, listening to her and Leonard speak with joy of their bee family, and just enjoying her friendship. I was very much saddened to hear of her passing but know her homecoming in heaven was a great time of rejoicing. We have lost a loving family member and a great friend. Heaven has received as joyous angel.
