“ Randy, Lenee, and Lauren, I am so very sorry to hear about Luke. He was one of my favorite kids at the clinic. He always had a big smile and I loved to see him and both of you. I wanted to come to the service, but I had just came home from having Theresa in the hospital with COVID and we were still in quarantine. Know that you all have been in my thoughts and prayers. He was such a sweetheart. Love, Patty Pippin

“ Luke came to as many soccer games as possible. He was always cheering and smiling whether we won or lost. I will never EVER forget his positive attitude! He made our days less stressful whenever he was around.

“ I remember as the school secretary whenever Luke would not be feeling well he would come to the office to ask me if he could call his dad to come go home. The whole time we were talking he had that big grin on his face. Whenever I saw Luke in the hallways, lunchroom or wherever that beautiful grin was always present 😊 So whenever I hear his name that great big grin is what I will think of and always will till I see Luke again. Until then his smile will brighten those in Heaven till his family can one day join him. ❤️
