“ I only knew Betty via her daughter-in-law, Michele Kutz, who shared stories of Betty's courage, good humor, and unflappable spirit when faced with adversity, but I feel as though I knew her personally. What a great lady she was. What an example she set for everyone around her--- to never give up, to keep on fighting, and to do so with a smile on your face. I offer my heartfelt condolences to Betty's family and friends for this profound loss.

“ Don and Family, (Rodney, Brenda, Guessie, Jackie) and Sis "Louise" and "Totsy" -

Sorry to hear that Betty passed away. Jacki and I were kept abreast of her health problems and suffering along the way. We learned that she was positive throughout her entire battle and fought the good fight until the end.

Without a doubt, she will be sorely missed by family and friends. Our prayers and thoughts are with you all. May she rest in peace.
