“ *Sending my heartfelt sympathy to my extended family. Uncle Marvin lived a long and fascinating life.*

He was the only Marine I have ever known who served his country on horseback. He had many unusual experiences as a heavy equipment operator. He loved to fish and taught my son to fish. Marvin loved children and was a big teaser. In later years, he never tired of his daily pork chop and lettuce salad with Dorothy Lynch Dressing.

Uncle Marvin was a kind man who loved his family. I am thinking of you as you celebrate his life.

“ To the family,
I have many good memories of spending time at my Uncle Marvin's house in California. He liked to watch roller derby on T.V. They had parakeets that talked and kissing fish.Deena and I played well together. Uncle Marvin was a good story teller and I loved the story he told about sitting in his dozer during an earthquake in California. Not many can claim to have been there when Disneyland was built and to have helped with the work on it.My Uncle Marvin was staying in Clarinda and doing Cat work on Highway 2 when my own Dad ,his brother, passed away at the age of 57. He was fortunate to live a long life and seemed content with simple things. I'm sure he will be missed by all of you.

Sorry for your loss,
