“ *Aunt Mary has a heart of gold. I remember when my mother passed away and Aunt Mary and I was there to see the coffin, I turn around cry and aunt Mary was there to hold me and told me it be all right, we will be there with you. she is good aunt. just another day when my aunt Doris told me she was a gambler, that I didn't know but I'm gambler too. so I got what my aunt got and Doris and I were laughing, but now she is in heaven with her sisters and her brother and her husband and most of it her greatest parent.*

“ I will always remember Mary. She was an amazing woman that survived so much over the years. Truly an inspiration for anyone that is going through hardship. She was always welcoming to us kids while lee was growing up, even when she should have smacked us around a few times. I will miss her. God bless to lee and family.
