“ *We were so sorry to hear about the passing of Mary Ann. You know she always held a special place in our hearts because she took such loving care of our dad Leo during his time of illness. Our thoughts and prayers are with your family and we will have a memorial mass said for her here in Florida. I will always remember her soft spoken voice and laughing so hard she cried. Blessings and Hugs to a wonderful family, Bruce & Julie Hayen*

“ Aunt Mary Ann will always be remembered by Judy and I for her many spiritual bouquets she would send during our time of illness or death in our families. We are so glad that we were able to visit with her in May. We were able to share a lot of memories.

Our greatest regret is that we won't be able to attend her funeral and visit with all the family. We are unable to change our flight plans from California at this time.

We will be sending mass intentions to Fr. Peter for her.

Love to all who read this.
