“ Neoma wasn't just my Best Friend she was like a sister to me. We grew up in Pierce City and over the year's stayed in close touch with each other. She was a sweet caring loving person who would help anyone she could out. Before she got real bad it was either Saturday or Sunday she gathered us around her and asked us to never forget her and the ppl who was present there told her we could never forget her. I myself have a lot of precious memories of us together and I'll never forget my Nomi my sister/bestfriend :) I love you more sister.....
