“ *Tom and I offer our sincere condolences. I have known the Dalton family most of my life, having been in the same class with Jerry at Midway School near Stark City and having been neighbors with both the Dalton family (Bob and Mary) as well as the Brown family. It is to Mary Dalton that I owe my salvation. She took me to Clear Creek Baptist Church for many years and was my Sunday School teacher. It was from her that I (as a small child) realized my need for Christ. Geneva, Tom and I have appreciated knowing you and Jay and have appreciated your friendship. We are happy that God blessed your mother with a long life. We know you have many pleasant memories of her, which will comfort you in the days to come.*
