“ *My heart goes out to Miss Pat's family, she will be greatly missed. She was a one of kind person and a great teacher, her heart truly was at Verona Schools. My brother, Greg and I were both lucky enough to have her as a teacher. When the class of 88' graduated, for those of us she had in her Kindergarten class she remembered us by giving us a ceramic graduate profile with our name and date of graduation. Comforting thoughts and prayers for the entire Pachlhofer family. The Roder family will never forget you!*

“ Ms. Pat did so much for Verona school through the years even when us kids didn't appreciate it. She was a teacher who really cared about her students and school. A very amazing woman and I'm thankful I had her as my teacher and for her being part of my life as a child. Thoughts and prayers for her family

“ Miss Pat was already a fixture at Verona School when I started there as librarian in 1998. She was a faithful friend over the years, who believed in libraries and the importance of reading. Pat helped me by volunteering to work at my Book Fairs, even after she retired. She loved her family and was proud of the cattle that were on her farm. She came to encourage me after my accident, bringing baked goods of course! :) She will be missed and remembered fondly by students and colleagues alike.

Miss Pat taught all 6 of my children. I was very aware of her dedication to her students. I knew they were getting a good start in their education. She had a kind heart. She will be missed. Prayers for comfort and peace to her family.

“ Miss Pat was my Kindergarten teacher. My mom loved to tell the story of how I came home from school one day and announced that I wanted to be a teacher just like Miss Pat. One of my greatest joys was when I returned to Verona to teach. I considered it an honor and a privilege to work along side her ever day. After I left, she stayed in touch with me and always remembered my girls on their birthdays and at Christmas. We loved her dearly. Today, we are heartbroken. We will keep her family in our prayers. ~ Angie Mattox...and Grace and Gillian

Miss Pat was my kindergarten teacher. I attended Trinity Lutheran School in Freistatt for the next 8 years. High School brought me back to Verona and much to my surprise Miss Pat remembered who I was right away. She always had a big smile on her face and you never were quite sure if it was joy or a little orneriness that smile represented. In time my own children attended Verona School for a short time and Miss Pat was still there doing what she lived to do, helping others, children and adults alike. The world lost a one-of-a-kind true lady yesterday. My heart is saddened and my thoughts and prayers are with her family. I feel blessed that I was privileged to know her.

I went to college with Pat at Missouri Southern. We both became teachers and always had fun sharing stories about the kids. I am praying for comfort for her family, but know that she has everyone in line up in heaven. 🙏

“ I worked with Miss Pat at Verona for several years. After she retired she always came by to say hello and bring me something good she had baked. She always remembered my birthday and would send me a card. I really appreciated that. She was a fine lady. I am so glad I had the privilege of knowing her. My prayers are with her family.

Miss Pat was so kind to me. She would remember my birthday and bring something delicious to eat. When I retired she gave me measuring cups and spoons, a set of bright colored bowls, kitchen towels, and a beautiful spatula. She knew I loved to cook. So many, many times when I do cook I'll think of her while I'm still using her gift. She will be missed by many. I am so glad I could call her my friend.

Pat was always smiling with that little ornery look she had!. I also have fond memories of her excellent baking skills. My dad, Bill Frey, was their mailman, and the Pachlhofer girls always left him the best assortment of Christmas cookies. When he retired, our family quipped that the worst part of retirement was no more Pachlhofer goodies in December. Lo and behold, Pat drove the traditional gift over to our house that year, much to the delight of all!

Pat and I went to high school at Pierce City. I was a year older but we became very good friends. Students at Verona were her big family. Prayers to her family as Pat was one of the best.
