“ I am so sad at the loss of your mother. She was such a very special, kind, gentle mom, grandmother and friend. One of the nicest person's I have ever known with such a kind heart and love for children. She prized her family so very much and was proud of each of you. Her precious granddaughter was the light of her life and she was so looking forward to having a second grandchild. She touched my heart and will always be remembered. Regina please know that you have a friend here who will always be praying for you and ready to give you a hug. Please let me know how I can be there for you. To each of her family members, my deepest sympathy and love. You are cared about.
