“ *I loved this woman dearly. Pat was my sister's mother -in-law. Pat and her family opened their home and holidays to my son and me when my parents died. I have so many fond memories of Thanksgiving and Christmas dinners. I enjoyed Pat's stories and loved chatting with Pat about things in life. She will be missed. Love you Pat*

“ *Always ready for one of my "That can't happen!" stories or unexpected jokes. The small amount of time we spent together and online will forever be closely treasured in my heart. I am so sorry to be unable to make it to your memorial Cousin. Physical therapy has tied me to my local area for a few more weeks. Know that you are cherished.*

Pat/"PK" was an internet friend for nearly 20 years. Because we lived in different states we only got to meet in person one time. She was a special lady and I'll miss her so much. Now she's back with her mom, a dear lady. Both can be in peace together again.
