“ *My condolences to the family. Ray was always a true gent, and a true hero. It seems that whenever, wherever I saw him, he always had a smile and a kind word. I know our local soldiers looked up to him, the community adored him, and you, his family and his friends loved him. I feel blessed just merely to have known him.*

“ Ray was my mentor and friend when I joined the National Guard in 1974. I was the first female hired by the 203d Engr Battalion to be an Admin-Supply Technician in Joplin. He taught me so many, many things and had the patience of Job. He even taught me how to drive an Army Jeep at Fort Crowder. I have a wonderful memory of having a pheasant dinner at Ray and Mildred's home. I have never forgotten Ray and I never will. His love of God, Country and Family is an inspiration to many. He will be deeply missed.

To the Carner Family, may God grant you peace at this difficult time.

Sincerely,

Suzanne (Hayes) Carney

“ Ray, Maxine Wielder and I worked for Jim and Lottie Whittington at the W & W Oil Company on the west end of Pierce City back in the GOOD OLe Daays in the early forties. Ray taught me many things about cars and also the facts of life. He was truly a brother and friend to me down through the years. Always found time to see him and Mildred and the kids when we were back in Pierce City. I had many wonderful meals with the family as I was growing up . We saw him the last time we were there in October and had our lunch together as we always did, really many fond memerioes. A true brother and friend.

Ray was such a special person to Sam and myself. We shared so many wonderful times with him and Mildred in his church there in Pierce City. They were always so welcoming and I know they will be missed by many, both family and friend. Lois Smith.

“ *Ray Carver was a fine man. He made so many contributions to the PC community. Last Fall he told me that they wanted him to take the "Honor Flight" to visit the WWII Memorial in Washington. He said "I told them to take the guys who haven't been there, than I will go after all of them have gone". I think that represents Ray. Wanting to help others. Condolences to his family. He was a neighbor for 56 years.*

Ray, Mildred and of course the "kids" were neighbors for years. What a great time!

Ray was a pillar in the Pierce City community, he touched many many lives and his legacy will live on.

It was a real pleasure knowing him.

My thoughts and prayers are with Kay, Larry and Gary.
