“ *My memories are of her and her parents in the Saddle Club. All the trail rides and Ride 4 Life. Bonfires roasting hot dogs at the end. She was such a sweet person. God Bless and be with you all.*

“ *Rhonda and I worked together for several years at the Monett Senior Center. She was always happy and had a smile for all the seniors. Her greatest joy was her two daughters and then her grandchildren. My thoughts and prayers go out to her family, especially the girls and her mom and dad!*

“ Growing up 2 hills apart from each other until we were married made us friends for a very long time..a lifetime. Rhonda was 5 months older than me and she made sure I knew it especially when we started driving. We played basketball since we were in 4th grade together, volleyball in middle school. I was there the day Ashlie was born (thanks to a cleverly written school note). I'm not going to lie we did grow apart,but a friend to the end is where she was in my heart. Gods Blessings to her children,her grandbabies and her parents Reta and Jerry..may Rhonda's pain be long gone and she be at the hand of Our Lord smiling down on us.

“ Rhonda and I had so many good times. I think we spent more time together than apart as kids. We were either riding horses or playing with our toy horses. I am so thankful we lived so close and had that special friendship. Mom and Reta never worried because they knew we were together. Even as we moved away from each other we still talked and she never missed calling me on my birthday, even as her health deteriorated. She was extremely proud of her girls and her grandkids. Even when life handed her a tough hand, she still was upbeat and positive. She will be missed. Prayers to all of her family! ❤️❤️❤️❤️

“ Rhonda was one of the nicest classmates that I knew. We sat by each other in math and usually PE. She was easy to talk to and get along with. She had a great light laughter. I am truly sad of her passing. My condolences to Reta and her mommas heart and the rest of her family.
