“ Betty, I didn't know your brother but by reading other messages I can tell he was truly loved and respected by all. But I do know you. And if Bob was just 10% of who you are to me, I "know" he was truly a great guy! My heart goes out to you and your family in your loss of Bob. May God continue watching over you and give you peace.

Love always, Nancy Richardson

“ Didn't know Robert but Mary was my 4th grade teacher and Oliver was my music teacher at Crane. I loved them both and have very good memories.

So if Robert was anything like them that would make him a very special person.

“ Charle, Bob was one of the finest principals I know. His sincere care for his students, faculty and staff was second to none. Bob was a loyal educator, friend and confidant. He will be greatly missed but his memories are many, On a lighter note: Bob could pick up trash faster than the students could throw it down. Our prayers are with you.

“ I am sure you are receiving many messages from AHS alumni, but I wanted to also offer my condolences. Mr. Ware was beloved by the students at AHS. Mrs. Kearns, you were my second grade teacher in the 80s and I remember you well! I hope it brings you some small comfort to know what a difference you both have made to students over the years.

Sincerely,
Jennie (Nelson) Benz
