*I have many fond memories of the time my parents--Daniel and Frances Lepine--and I spent with Rose Anne, Mr. Earle and Randy and Jo Nelle. Mr. Earle was responsible for bringing my family to the Pierce City area in the mid-50's. My mother was working on her Master's at the University of Arkansas where she met Mr. Earle. He told her of an opportunity for a speech therapist with the Pierce City School District, and the rest is history. Our families became good friends. Randy and Jo Nelle, you and your families are in my thoughts and prayers.*

“ I have been acquainted with Rose Anne and Mr. Earle since the Fall of 1984, when her brother, Clarence Feeney had them to stand at the conclusion of a Gospel meeting in Monett. Brother Feeney wanted to give the audience a chance to meet his sister and brother-in-law, Representative and Mrs. Earle Staponski. I recall Rose Anne and Mr. Earle living in Jefferson City during weeks when the Legislature was in session at which time they had a Jefferson City garden. It was about this time that Rose Anne took fiddle lessons. I always enjoyed visiting with Rose Anne about upcoming elections and I appreciated her knowledge of the community that she gained from being a secretary for the school system. Randy and Denise, this will let you know that Yvonne and I are remembering you in the passing of Rose Anne.

Randy and Denise, how I enjoyed being friends with Roseann and Earl. They were dear friends and I will miss them both. Roseann and I had so much fun exploring every nook and crannie of Jeff City while Earl worked to make this a better world at the capitol. I will think of her often and miss her always.
